Altoona High School

1967 Headlight

Altoona, Wisconsin

1967 Edition

Dedication

Dear Parent,

It is wonderful to be alive and on the threshold to adulthood in the 1960's. As we make our big plans for the future, we also look back on past happy memories we've had at A.H.S.. Without your guidance and loving care these memories could not have been possible. It is primarily to you that we owe our education and our happiness. It has been said that the first eighteen years are the most difficult years of one's life. By forming the base for our education, you have helped to bring us through these trying years. A great man once said, "The direction in which education starts a man will determine his future".

To express our sincere appreciation for everything you've done for us, we, the Senior Class of Altoona High School, dedicate our 1967 "Headlight" to you, our parents.

Administration

Einar Pedersen Principal

DEAR CLASS OF "67":

As you march down graduation aisle to the strains of Pomp and Circumstance, hold your head up high with pride in your achievements.

Your loyalty, interest, and service to A.H.S. has been outstanding. You will treasure the memories of the games, the dances, the concerts, the trips, and other activities. But, now is the time to look ahead to new challenges.

The faculty is confident in your future! May we extend sincere wishes that each of you will find much happiness and success.

E. C. PEDERSEN

1966 Football Team

The 1966 Railroaders football squad overcame early season difficulties in winning three of their final four games to establish themselves as the finest team that our school has produced in the four year history of football at A.H.S. The late season rally enabled the Rails to post a four win and five loss record which exceeded the victory total of any previous Altoona squad.

In spite of inexperience and injuries to key personnel, the Railroaders of A.H.S. continued to hammer away at the task of learning the artful game of basketball. The competition was keen, the road was rough; yet as the season progressed, the pride of the Rails seemed to forge ahead pushing the scarlet and the black into 5th place in the conference making it possible for them to be a tournament contender.

This team composed mostly of underclassmen should be ready to avenge the sting of defeat which was felt more often than the Rails desired. To be sure we will miss Steve Thompson and our captain, Tom Schroder, who has been a pillar of basketball for four years at A.H.S. Many players are standing on the Railroader basketball horizon. Which ones will emerge as the "greats" will depend on their determination, desire, and willingness to sacrifice self glory for the sake of the team.

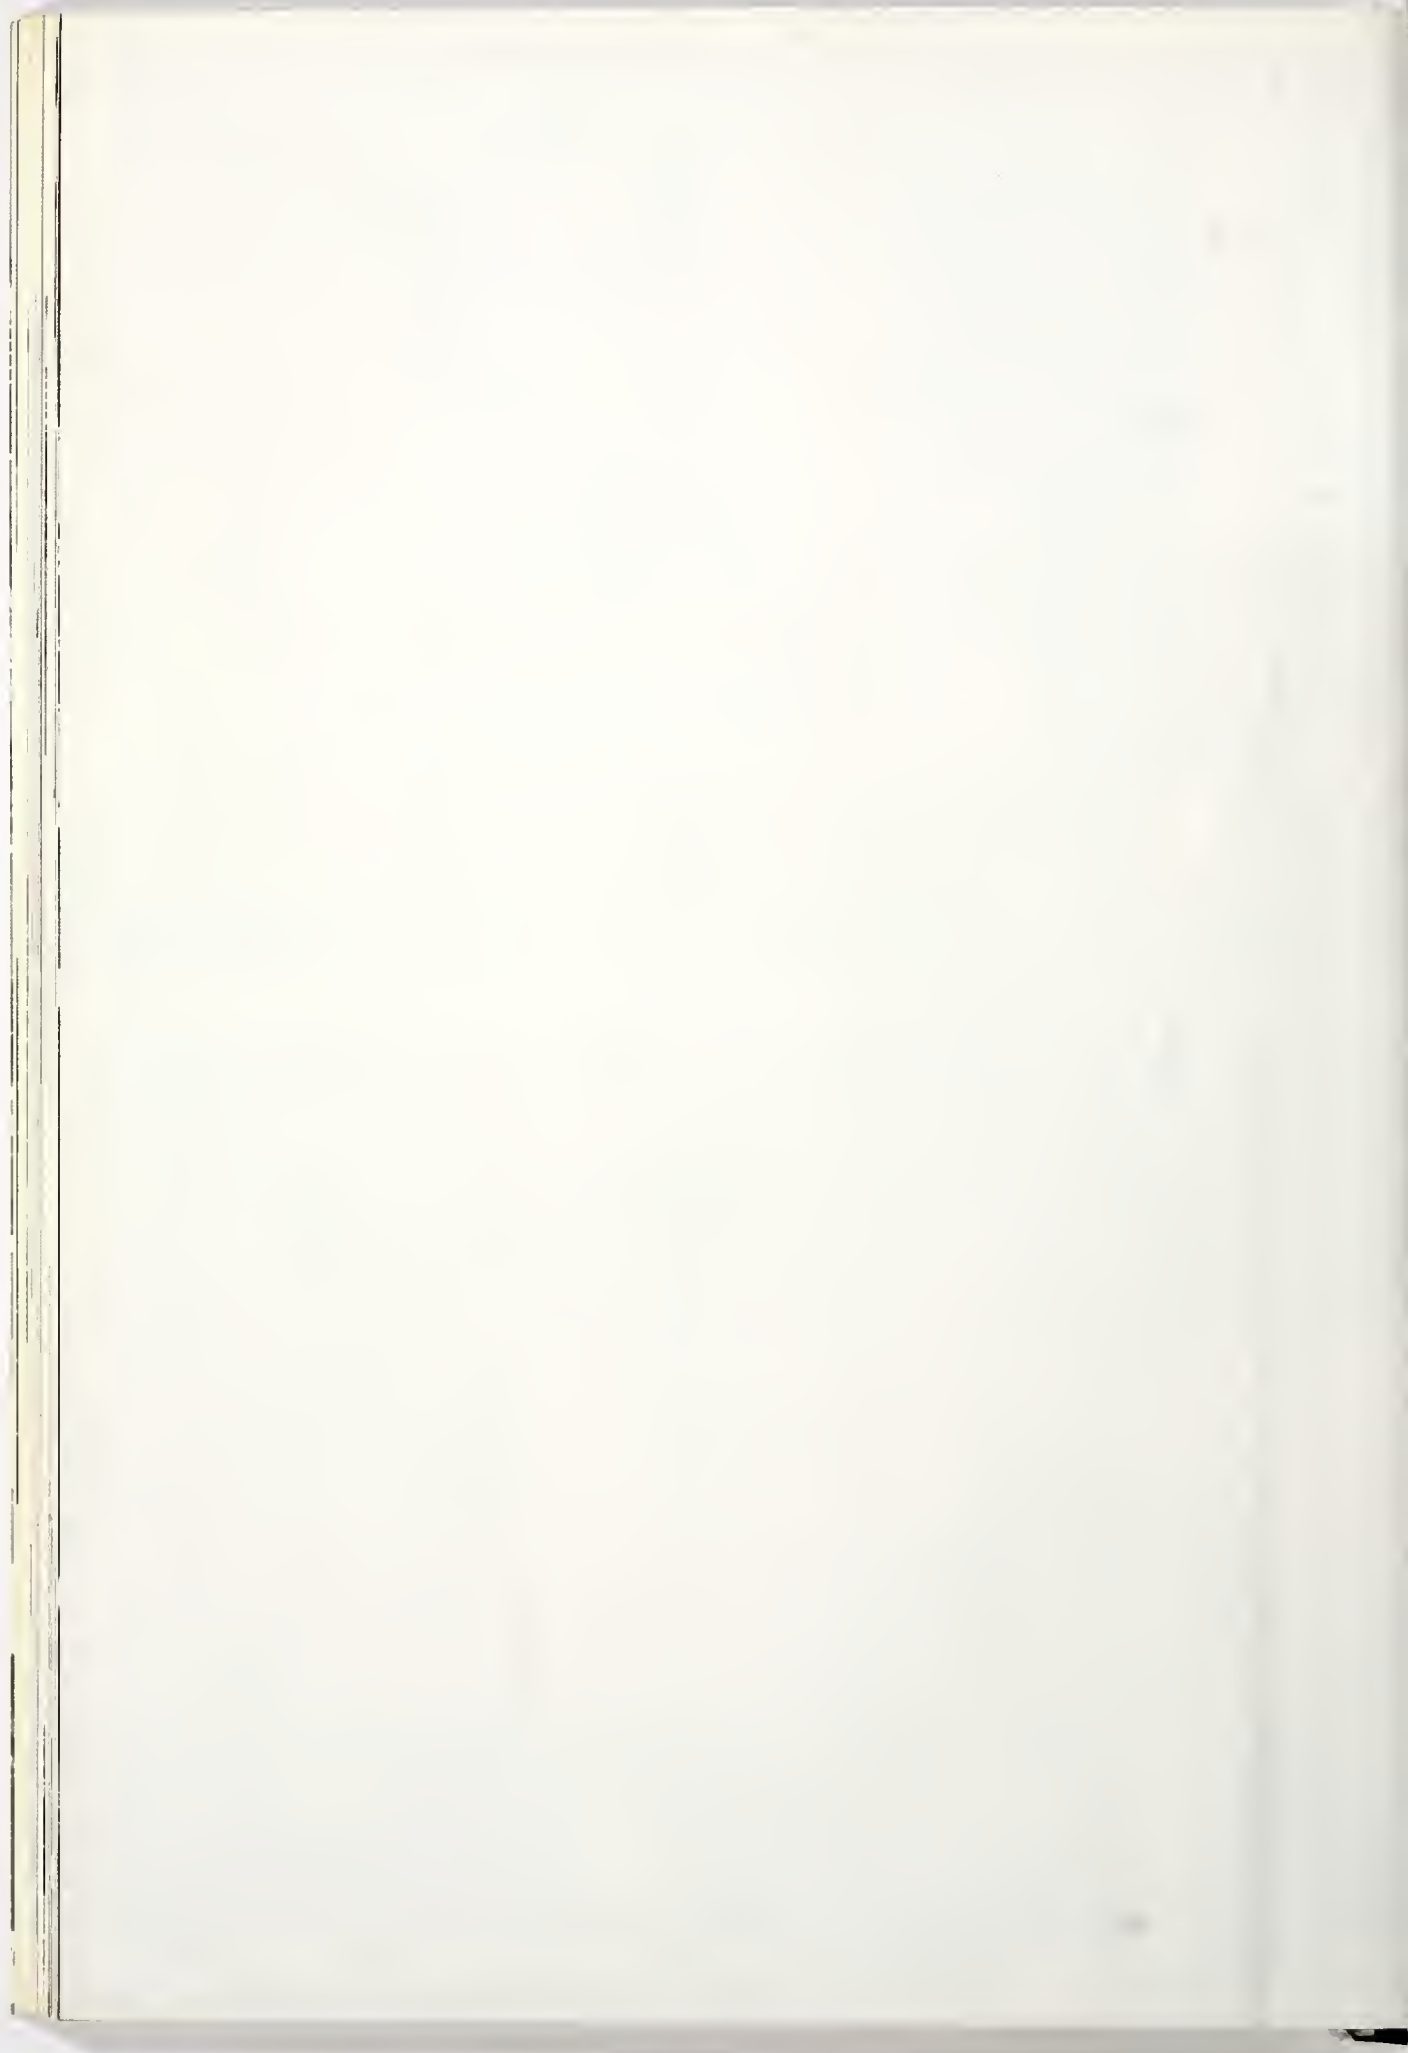

It is not only the winning which is significant in basketball but also the cooperative play of our team in fighting for victory.

In Junior High Science the basic curriculum consists of reviewing the fundamental facts of energy, body, machines, weather, communication, and transportation. Eighth grade mathematics leads the student into understanding the basic facts of algebra and plane geometry. Seventh grade history covers the background of our country from its founding to our present day and age. In English all parts of speech and phrases are studied.

In Memoriam

Mrs. Gladys Day

Mrs. Gladys Day, teacher of seventh and eighth grades for five years, passed away May 15, 1966. Before coming to Altoona, Mrs. Day was a supervisor in the Menomonie schools and a teacher at Maple Drive School in Eau Claire County.

Her outside activities were connected with her church at Rock Falls where she was organist and taught a Sunday School class.

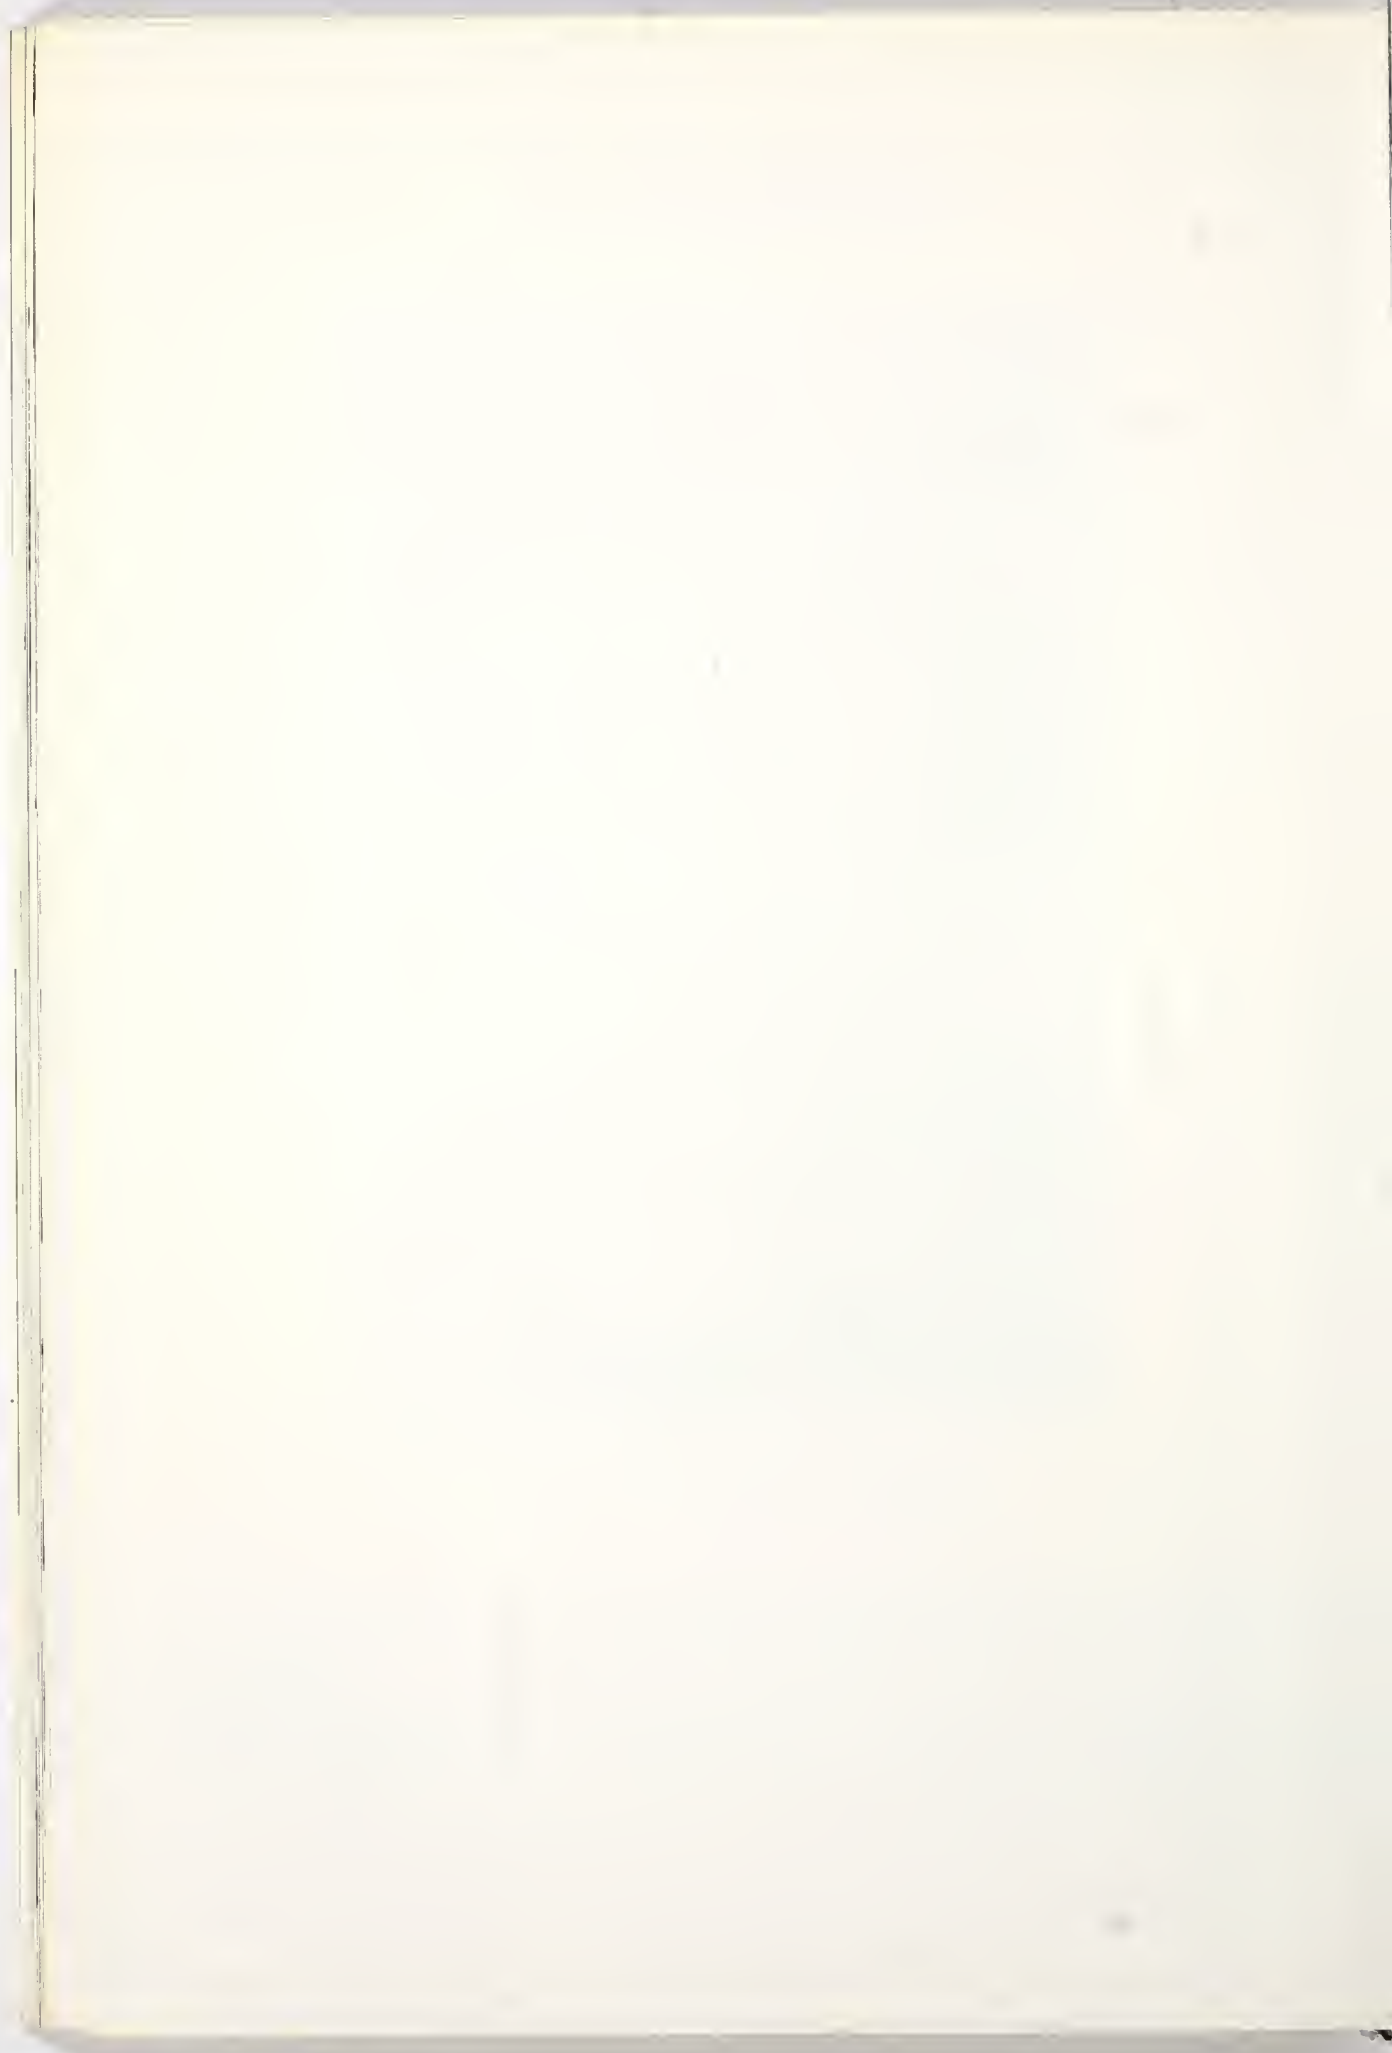

Mrs. Day's genuine interest in her pupils and her love for teaching will be remembered by all the students.

Editors' Farewell

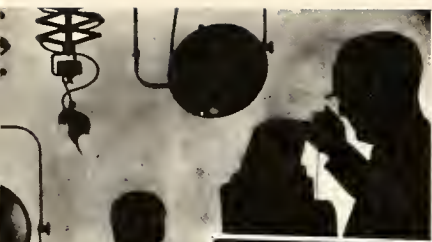

The book is completed,
And closed, like the day;
And the hand that has written it
Lays it away.

Dim grow its fancies;
Forgotten they lie;
Like coals in the ashes,
They darken and die.

Song sinks into silence,
The story is told,
The windows are darkened,
The hearth-stone is cold.

...

oments to remember
